It all started in 1967 when founder Manuel Capó fled Cuba with two of his seven sons. He was an experienced furniture maker and opened the first store with a \$10,000 loan from the Small Business Administration. Capó learned the furniture trade from his father, Simon, who opened his own furniture retail and manufacturing store in Cuba before Castro took over all private enterprise. While Capó died in 2009, his sons and many of his grandchildren still keep the company alive today.
